

Eric Boles

CHANGING LIVES...CHANGING ORGANIZATIONS

- HIGH PERFORMANCE
- LEADERSHIP
- RESPONSIBILITY
- TEAMWORK
- MANAGING CHANGE

Eric Boles has his own training and development company dedicated to maximizing the human asset. Since 1973, his company has been setting the standard for helping clients enhance their cultures and develop new levels of commitment. Eric and his team have helped shape over four million successful leaders, managers, and employees.

Eric is a highly acclaimed keynote speaker and consultant for some of the most recognized companies in the world. His expertise is in team dynamics, leadership, maximizing momentum, personal growth, and change.

His clients include Starbucks Coffee Company, Southwest Airlines, Coca-Cola, Jack in the Box, Boeing, Alaska Airlines, IRS, Bonneville Power Administration and the Army Rangers to name just a few.

Prior to becoming an authority on teamwork, leadership, and personal development, Eric learned many principles of team dynamics and leadership from his experience playing in the NFL with the New York Jets and Green Bay Packers. Eric had the privilege of being coached and mentored by some of the finest coaches in the game.

Eric has presented all over North America with audiences ranging from 5 to 20,000 for some of our nation's most prestigious Fortune 500 companies, our Federal Government, non-profit organizations, private companies as well as trade associations. He has earned the reputation as a dynamic presenter, facilitator, executive coach, and friend.
