

Peyton Manning

Indianapolis Colts Quarterback

Peyton Manning is a leader and a champion both on and off the field. Since joining the Indianapolis Colts as the number one overall pick in the 1998 draft, Peyton has scorched the record books!

Peyton still considers his most important accomplishments to be those he has achieved off the field. His charitable contributions are many. In 1999, he established The PeyBack Foundation to promote the future success of disadvantaged youth.

Manning comes from a family of football players. He is the son of Archie Manning, a former NFL quarterback for the New Orleans Saints. His younger brother, Eli, is the quarterback for the New York Giants. Peyton and Eli made history by being the first brothers to play starting QBs on opposing teams in the NFL. They won back-to-back Super Bowls and SB MVP awards. Peyton's older brother, Cooper, was a wide receiver before a spinal condition ended his football career.

In the off-season, Peyton enjoys traveling around the country speaking to a wide variety of audiences.
