

Johnny Parsons

Johnny Parsons has put together a fabulous career. His father, Johnnie Parsons, competed from 1949 to 1958 and captured the crown jewel of auto racing by winning the Indianapolis 500 in 1950.

Johnny, Jr. started his racing career in quarter midgets at age 12 - which eventually led to midgets, sprints, stock cars, championship dirt cars and, of course, Indy cars.

This versatile driver made his first Indianapolis 500 appearance in 1974. Out of Johnny's 12 Indy starts, his best finish was fifth position - twice, in 1977 and again in 1985!
