

MIKE REDMOND'S FUNNY BUSINESS

Problem solving for people who aren't afraid of a little laughter

MIKE REDMOND

*** Award-winning author and journalist.**

*** Teacher and lecturer.**

*** Licensed driver.**

Helping you with ..

Internal Communication – The key to productivity. Also the key to keeping your co-workers from throwing things at you.

External Communication – Because looking like a bunch of goofers is not good business.

Team Building – Otherwise known as herding cats.

Igniting the Creative Spark – With just three words. No, not THOSE words. Shame on you.

Challenge and Change – Or, if you prefer, change and challenge. We're flexible.
